

“Topics were covered extremely well. A comprehensive class for a basic knowledge of commercial a/c.”

Val Bankston, III, Jamail Smith Construction

“Good mix of technical and practical aspects of HVAC. A good learning environment held in an easy going, light hearted manner.”

Michael Dunn, Urban Constructors

“Chris made a difficult topic enjoyable.”

Zac Harris, Joeris General Contractor

“Everything was very easy to understand and put in simple language.”

Rusty Ramirez, SpawGlass Constructors

“Excellent presentation. Clear and informative.”

Michael Cropper, Carter & Burgess
